

1 CONCEPT & CUSTOMISATION

We start with a blank canvas and work with you to bring your packaging vision to life.

CUSTOM PANTONE COLOURS

Matched to your brand for a consistent, premium look.

SILKSCREEN PRINTING

Crisp, vibrant printing that brings your branding to life.

CUSTOM MOULDS

Unique shapes and designs created to make your product stand out.

From initial ideas, materials and finishes to colours and branding – we tailor every detail to reflect your brand and connect with your customers.

2

SAMPLES & APPROVAL

We create pre-production samples so you can see, feel and refine your packaging before we move into full production.

PHYSICAL SAMPLES

Test the look, feel and function of your packaging in hand.

COLOUR & FINISH APPROVAL

Review custom Pantone colours, finishes and printing to ensure they align with your brand.

YOUR APPROVAL

You review and approve the samples with confidence before we move to full-scale production.

3 PRODUCTION

Once approved, we begin mass production with strict quality control to ensure every piece meets our high standards.

PRECISION PRODUCTION

State-of-the-art equipment and skilled processes to deliver consistent, reliable results.

QUALITY CONTROL

Rigorous checks at every stage to ensure every item meets our high quality standards.
